U.S.-BASED OPERATIONS

CORE COMPETENCIES

- **Armed & unarmed security officers:** uniformed, supervised, Florida Class D / Class G licensed personnel
- **Facility & access control:** checkpoints, credential verification, visitor management, restricted areas
- **Fire watch & emergency standby:** code-compliant standby personnel deployed on short notice
- **Event & crowd security:** public events, surge staffing, ingress and egress management
- **Executive protection & secure transport:** certified agents for officials, dignitaries, and visiting delegations
- **Mobile & foot patrols:** randomized, documented, photo-supported
- **Threat & vulnerability assessments:** facility assessments led by recon and surveillance trained specialists
- **Emergency & disaster support:** storm response, workplace violence response teams, expedited deployment

DIFFERENTIATORS

- **We train our own:** every officer is trained, licensed, and recertified through the ESS Academy, licensed by the Florida Department of Education (CIE #5198)
- **Technology-backed accountability:** paperless daily activity reports, incident reports, and post logs with 24-hour client access
- **Leadership experience:** management from the U.S. Marine Corps, Navy SEALs, DHS, and the U.S. State Department
- **100% client retention:** once an organization chooses ESS Global, they stay
